PERSONAL QUALIFICATIONS FOR YOUTH COMMISSION

I am a capable and responsible 8th grader who enjoys being involved in the community to make a difference. At my school, I really like being a "buddy" for younger children to help them pick books and read with them. As a Milpitas residence, I have enjoyed volunteering at the library as well for events such as Silicon Valley Reads. At home I help my younger brother with his homework and projects for school.

I have been at Carden El Encanto School since kindergarten and now I am entering my final year. At Carden, I have participated in many areas including the DARE program, safety patrol, Art/Talent show and am also proud to be on the honor roll.

I enjoy playing competitive volleyball and also play for my school volleyball team. My club team ranked fifth in the Northern California League and almost made it to the Junior Olympics. I have also been playing the piano for the past seven years and enjoy playing for my family.

I love traveling with my family to learn about nature, different places, and cultures. For the past few years, we have been traveling to see the National Parks in the U.S., Canada, and India. I have participated in the Junior Ranger program for the U.S. parks. I have hiked up Mount Lassen at Lassen National Volcanic Park and seen a Bengal Tiger at Rathambore National Park in India.

I hope to bring my love of community service, solid academic background, competitive sports experience, and my creative spirit along with strong values to be the best youth commissioner I can be to serve the city of Milpitas.
